There are these special panties i wear that tie on the side. That way I can just untie them and not have to pull them down to take them off. It makes for easy access to my pussy. Then my fingers go to work

## DOING HER HUBBY'S DIRTY WORK?

Dear Editor of 40+ magazine:

My husband brought your magazine home the other day. Actually he brought home about one-quarter of it. He thought Rochelle, the woman on the cover, was his ex-wife. He says it's been almost twenty years since he saw her. They married young and divorced by the time they were 25 and he moved to Manhattan while she stayed down South.

I asked him how he got the issue and he said he was walking by a newsstand after a business lunch and did a double-take when he saw the cover. He said ripped out the other pages and gave them to his co-workers. He said he looked at the photos for a while and could not determine if it was his ex-wife. We talked about her at dinner that night and it piqued my curiosity too, especially when he said she was very prudish and didn't think she could ever do anything like pose nude for a men's magazine.

So, I'm writing to ask you if her name could be released to us, or our name and phone number could be given to her. My husband said you're not allowed to do it, but if you can send her the other letter I enclosed, we'll just hope she'll get in touch with us. While I'm not that keen on bringing her back into his or our life, I am also curious if it could be her after hearing about her for twenty years.

Thank you for your prompt attention to this matter.

— Eloise J., NYC

Eloise, well, since you asked so nicely, your husband is almost right. It's not that we're not allowed to give out names or addresses, it is our policy that we do not. We respect the privacy of our models, even if they could have been someone's wife at

one time, decades ago. The private letter has been forwarded to the photographer because we do not maintain contact with some of our models. Hopefully it will reach her and you and your husband's curiosity can be satisfied. — Ed.

## GRATIFICATION IN A MATURE MANNER

40+ editor,

I've never written to a magazine before but when I saw Rochelle, I was instantly in lust — I mean — in love. What a hottie she is. I like MILF-next-door look and she fits the bill perfectly. I really dig the way she's rolling around in those white sheets. It really sets her body off. And she is so flexible. I really dig the way her legs are spread showing us her pretty pink pussy. I can just see my finger probing it's inside while my tongue licks it. Yummy. Her poses are so hot and inviting. I can see myself kneeling in front of her with my extreme hard on zeroing in on that pink target. I'd grab her ankles and hold her legs back like that and pound it in her until she was deeper in those white sheets. Then I'd push her ankles down next to her ears and then pull

them wide as I trust my cock in her. I know that would turn her on and make her cum as she screamed in pleasure. Then I would cum, but I'd pull out just in time to splooge all over her pussy. Oh shit, I have to get a tissue and clean off the page. I can dream can't I?

— Larry, Des Moines

## RED LIGHT DISTRACTION

To the editor,

As I was looking through your last issue of 40+ I came across this girl Sasha standing in the doorway, exposing herself and dildoeing herself. Of course she's fine, but the photos reminded me of this cathouse I went to in Amsterdam two years ago. I was visiting there with a couple buddies of mine, Chet and Bob. I had never been there before, but they had been there a couple times. They were into the red light district scene and thought I might get a kick out of it. They dragged me along and initially I did not want to go. They teased me, but promised that it was safe and that I would have a good time, saying that if I didn't want to join in, then I could watch. Well, I got more than a kick out of it, let me tell you.

We were walking down Warmoesstraat street, turned a corner and there was a hot blond standing in the doorway of a thin, old building from like the past. She was wearing a pinkish teddy and high stripper heels and holding a red dildo in her hand and bringing it up to her lips to pretend lick it. We walked past her to see more of the shops, but I'll never forget that scene and when I saw Sasha it reminded me of her. My buddies dragged me further down the road and promised me that I'd get laid tonight. I was excited, and a little tipsy, so I said — "Let's do it!" We got to this brown building with a couple stairs up to the door and a big window to the right of it with the curtains drawn halfway and a cute girl sit-

ting on a chair looking out. She waived to Chet as if she recognized him. We all went up the stairs and she met us just inside the doorway. Before I knew it we were in her room and she was pulling the shades across the window.

There was a double size bed in the room and it smelled all girly. She told us to go wash and we took turns in the bathroom. Chet came out first, then Bob, and as I came

Bob gets up and pulls his cock out of his pants, goes over to her night stand, grabs a condom and loads it up on his cock. He positions himself behind her and fingers her pussy. Apparently, it wasn't wet enough so he gets some gel from the night stand and rubs it between her legs.

I'm now playing with myself as Bob slips it in her. She hardly missed a suck as he begins to fuck her. I decide to pull myself

Chet and Bob tag team slap each other's hands and switch positions with Chet now behind her fucking her standing doggie-style and Bob next to me ready for his bj. He changes condoms and grabs her hand to start giving him a hand job. She's still sucking my cock and playing with my balls with her free hand. Damn, this girl was good. All of a sudden Chet blurts out that he's gonna cum and does so giving her a couple really hard thrusts that she has to stop blowing me and brace herself for his

out I saw they had already worked out the financial arrangements. She said her name was Sonya and in broken English says she likes American guys. Chet starts it up again taking his shirt off as she helped him with his pants. Bob and I sat on a couple weird chairs along the wall and watched as she dropped his pants and boxers and grabbed his cock as she pulled him over to the bed. He sits on the bed and she pulls out a condom and pulls it over his cock. She pushes him back on the bed and starts to give him a blow job right through the condom. She's bent over and her nice butt's up in the air bobbing up and down as her mouth goes to work on him. After a few minutes of this,

out of my pants before I bust the zipper and start stroking my cock to relieve some of the tension. There was a weird reddish glow to the room so it looked like a cheap porn film, but it was kinda exciting. Chet sits up a little as she is still blowing him and he motions me to get a condom and lay on the bed next to him, which I do. Sonya, grabs my cock and pumps it as she continues with Chet. Bob is behind her pumping away and gives me the thumbs up. Sonya then turns her attention to me and begins to blow me. I'm up on my elbows so I can watch. It's a really weird feeling to get a hummer through a condom, but she is a pro and I hardly can tell the difference.

Sultry Sasha: Never looking back!

climax. He finished cumming and goes over to the chairs to rest pulling his condom off as he sits.

Sonya now stands up and climbs on the bed over me, turns around and squats on my cock reverse cowgirl style. She motions to Bob to stand up and he positions himself in front of her and puts his cock in front of her face. She reaches out to grab it and pulls it into her mouth and starts sucking him off. I grab her butt and help her with the old in-and-out. I can't see what she is

doing to Bob, but from looking at the back of her head and the expression on his face, I know she is doing it well and he's digging it. A few more minutes of this and I'm ready to cum. She senses it and gets off just in time to jerk my cock a couple times and I let loose inside the rubber straight-jacket. That's two down and one to go. She tells me to get off the bed and go watch as she lays back on the bed and pulls Bob down on top of her. She guides his cock into her swollen pussy and lets him fuck her. Which he does for a few more minutes. Sonya rolls over on her side facing us and makes some great fuck faces for our amusement. Her mouth is wide open going "Oh yeah! Oh yeah!" as she raises her top leg so we can see him fuck her. She rubs her pussy hard, grabs Bob's balls and squeezes hard. He screams and bucks his hips with his big finale as she does the same. They cum together and lay spent and exhausted on the bed. Chet and I break out into a round of applause and they laugh.

We get washed up, get dressed, and thank Sonya at the door as we exit into the night. We stumble down the street, going in the wrong direction. Chet recognizes this after a couple blocks and we retrace our steps, back past Sonya. As we pass her window, we see her closing the drapes – and a shadow of a man in the room. She sees us and gives us a big double thumbs up and we give it back. She was really cool! We find a little bar and grab another [beer] as the guys ask me how it was. I said it was way too cool and she rocked. We spent a few more hours and many more Euros as the night got longer.

I'm sure you really didn't want to hear all this but other and my two buds, I haven't said anything to anyone else and it felt really good to relive the experience as I wrote this letter. Thanks dudes.

– Norm, Newark

Great story Norm. We've heard many stories about the RLD in Amsterdam and they have all been pretty hot. As sex hounds ourselves, it's nice to know there is a country that respects sex and proves that with proper regulation it can be a viable resource for people who

*Sexy Lea leaves readers wanting more.*

are inclined to use those types of services. The brothels in America still carry a negative stigma, but they too can provide an outlet for men that want it. Unfortunately, we regulate them to the desert, miles from people because our lawmakers see sex as a bad thing that must be pushed out and away from society. In Amsterdam, the RLD is right in the middle of the city amongst restaurants, bars and historical places. They all seem to get along and all prosper from each other's presence. Who knows, maybe one day here in America we can have the same freedom.. – Ed.

## LOVE THAT LEA

Hi guys,

I'm a forty-six year old man and I love Asian women. When I saw your pictorial of Lea (40+ #96), I fell in love all over again for the eighty-fourth time. She's hot. Got some nice meat on her bones. Great tits and a nice round ass. All of which is more than I deserve, but she was great to look at. I wish she was shaved, but since she was over forty I'll forgive her. I like the way we got to see every part of her. She moved around and all I saw tempted me even more. I've had my share of Asian women and I loved them all. And very well I might add. Their pussies are really small and tight. Their boobs are usually small, so when I see one like Lea with great tits, I can cream very easily. Can I get one more shot of her in your next issue?

– Barry, Berkeley

## WE LOVE ASIANS, TOO

Dear Editors,

I'm an Asian man who likes white women, but when I saw your layout on Lea, I was pleasantly surprised. Most Asian women, especially women over 40, are usually quite repressed when it comes to sex, and even more so about any type of public nudity, photographs in magazines included. Old world customs are strong and family is strong, too, so for one to break away is quite rare. I know that the younger Asian women are a little more free with their sexuality considering how many porn stars are Asian. And there are several magazines that cater to the Asian crowd, but I liked the fact that you mixed Lea in with the others. Keep up the good photography and keep the mix of people because we are all one world.

– Kim, Portland

## LOVE THAT NIKKI

Thank you for one hot Latina in Nikki Reed. She's one hot tamale. The photo spread on her was really sexy and it looked like she enjoyed doing it. Posing and shoving that dildo in her hot pussy. She proves that Latin women are the hottest on the planet. If you guys out there have never been with a Latina, let me tell you they are the hottest fucks on the planet. Just to touch their skin while having sex, you can actually feel the heat in their blood.

I am fortunate enough to be married to one and our sex life is just as hot as it was on our honeymoon thirty years ago. Her blow jobs are the best. If we don't have intercourse, she'll suck my cock for hours until I come. And then she'll suck it some more. When we do fuck, she's there to please me. Not because I tell her to but because it's in her hot blood to do so. Our kids have all grown up and went off and got married so we have the house and our time to ourselves. Every Sunday, right after church, we'll come home and jump into bed and hold each other, and we'll fuck and we'll suck, religiously. Mamacita's been taught well.

Even though we've both put on a little weight over the years, she is still a fine looking heina and I still get horny just looking at her. I still like going down on her and she still likes to suck my cock. Nikki reminds me of her because she looks like she wants to have sex with that dildo and the dildo's going to enjoy it.

# I LOVE DIRTY MOVIES

Hi, my name is Aimee and I love to watch porn. Yes, I admit it. I love dirty movies. I like everything about them. The acting, the story lines, but especially, I like watching the sex in them. It really turns me on and makes me horny. Some of the best sex I've had has been with a dirty movie playing in the background.

I'm a visual person and the sight of naked flesh on naked flesh makes me hot. Many a time I would have my partner do the things to me that we were watching on TV. Now that was hot!

*Meet hot adult friends – NOW!*

## WOMEN

### MATURE WOMAN

Hi, I'm a bored, blond suburban housewife who's oversexed and over stacked. My husband just can't satisfy me. He doesn't understand that a 40-something woman has lots more experience than these young bitches. Our bodies are at their highest sexual peak and we want a hard cock right now! My measurements are 38DD-25-36 and my ass is as tight as a drum. I'm looking for a stud to get me off. Can you handle that? I do everything, BJ's, anal, threesomes, fetish, role playing, around-the-world - anything goes! You name your sexual kick and I'm the woman who'll satisfy you. Dare to be bad with me. Write me now. Seductively yours,  
Barbara B., Wilmington, DE.

### 30-SOMETHING SLUT

Hi, I'm not a 20-something anymore but my body still rocks and I'm more horny than ever. I need men who appreciate a girl when she starts to mature. My pussy still gets wet at the very touch of a man (or a woman). It makes me nuts that guys don't get it that we blow these young bitches away. We know how to please with our mouths, and even anally so give me a try. I like real dirty talk. Don't delay. Julie, P., Los Angeles, CA

### LONELY

My husband left me for a 19 year-old slut last year and I want to get back at him badly by having sex with as many men as I can. That means you! I'm a very attractive woman in her mid 40s with dark hair. I'm half Latin and half German so I have a great, exotic look. My body is very good for a woman with two kids. Still an hourglass figure. Long legs, and tight buns (I work out regularly). I haven't had a lot of sexual experience but I'm open (wide open). Please send a nice intro letter first. Maria, Houston, TX

## MEN

### YOUNG MAN WANTS MOM

OK, so I'm only 18 but I love older chicks. I had this thing for my best friend's mom forever. She's so f\*\*king hot! She wears those black seam stockings and tight ass dresses and just drives me wild. I want a woman like that with big tits and a big ass. No young cheerleader bitches. Just mature sex-starved women who want a young stud to f\*\* them all night long. I can do it. I also eat pussy. Send your letter to: Bud, Portland, OR.

### HANDSOME STUD SICK OF POSERS

I'm sick and tired of chicks who want nothing but guys with money. I want an older MILF or cougar who will be thankful when I do her all night long. Don't ask me about how much fucking money I make, just as me how big my dick is or how long is my tongue because that's what I'm going to use on you. And you better thank me once I cum in your mouth. Billy, Tacoma, WA.

### NEW YORKER

Yo, old bitches. I don't care how old you are – 30, 40, 50, even 60. I'll do any woman who puts out. But you gotta do whatever I tell you to do, OK? So be prepared if it's really weird shit. Don't write to me if you don't want to do really crazy stuff and sex that you only read about in magazines like this. I'm the real deal. I have had sex with at least 500 babes here in Brooklyn alone and that's not even counting Manhattan. I go to clubs there and find women your age all the time. So why am I writing to this magazine? Because I want more, OK? I'm handsome and work in law enforcement. Tell me how you look. No ugly chicks. If you're over 50 you better be in good shape. No saggy tits or asses. Mario, Bay Ridge, Brooklyn, NY.

## NEEDS EXPERIENCE

I need an experienced woman to teach me about sex. I've only experienced kissing. Once I put my finger in a girl's hole but that's it. I need a woman who knows how to teach a young guy. Can you help me? I jerk off two or three times a day and always think of my teachers and female boss (who are older) so please make sure you're like the women in this magazine. Oh, and I like those big white panties and big white bras for you to wear. Clive, Chicago, IL
